Directions

Pan

Pour the frozen Peas and ham in a non-stick pan with 1 tablespoon of EVO and 1 tablespoon of water. Cook over medium heat for 5 minutes, stirring occasionally. Cooking times provided are merely indicative.

Microwave

Place the sealed bag on a plate, with back sealing facing up. Put it in the microwave oven and cook for 5 minutes. When the cooking process is complete remove the plate from the oven, wait 1-2 minutes prior to open the bag. Pour the Peas and ham on a dish and stir. Increase cooking time 1 minute every 100 watt of less power.
