Directions

Griddle

Heat the griddle at 240 °C, place the frozen burger, close the griddle and cook for 12 minutes.

Convection Oven

Put the frozen product onto a baking pan in a preheated convection oven at 190 °C. Wait for the oven to reach the set temperature and bake for 10 minutes. Remove from the oven and serve.

Deep Fryer

Pour the frozen product in boiling hot oil at 160 °C, fry for 5 minutes, until the burgers become golden. Drain, pat dry, salt and serve.
